IN THE TITLE

Amend title to read: --Endoscope system for measuring the area of a missing portion--

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the applicant claimed a number of elements including *inter alia* a missing-edge portion measuring means comprising a first reference-line designating means and a first reference-plane designating means from which together define a particular plane; and a contour designating means from which the area of the missing portion can be calculated by moving the missing-contour border.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
